

Face Mask Pattern

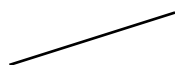

w/Removable Nose Wire & Adjustable Straps

Tutorial: <https://apartment89.com/face-mask-tutorial>

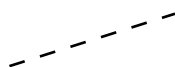

Print Instructions: Print at 100% scale.

This square is included with each mask size. When printed at 100% scale, this square should measure 1 x 1".

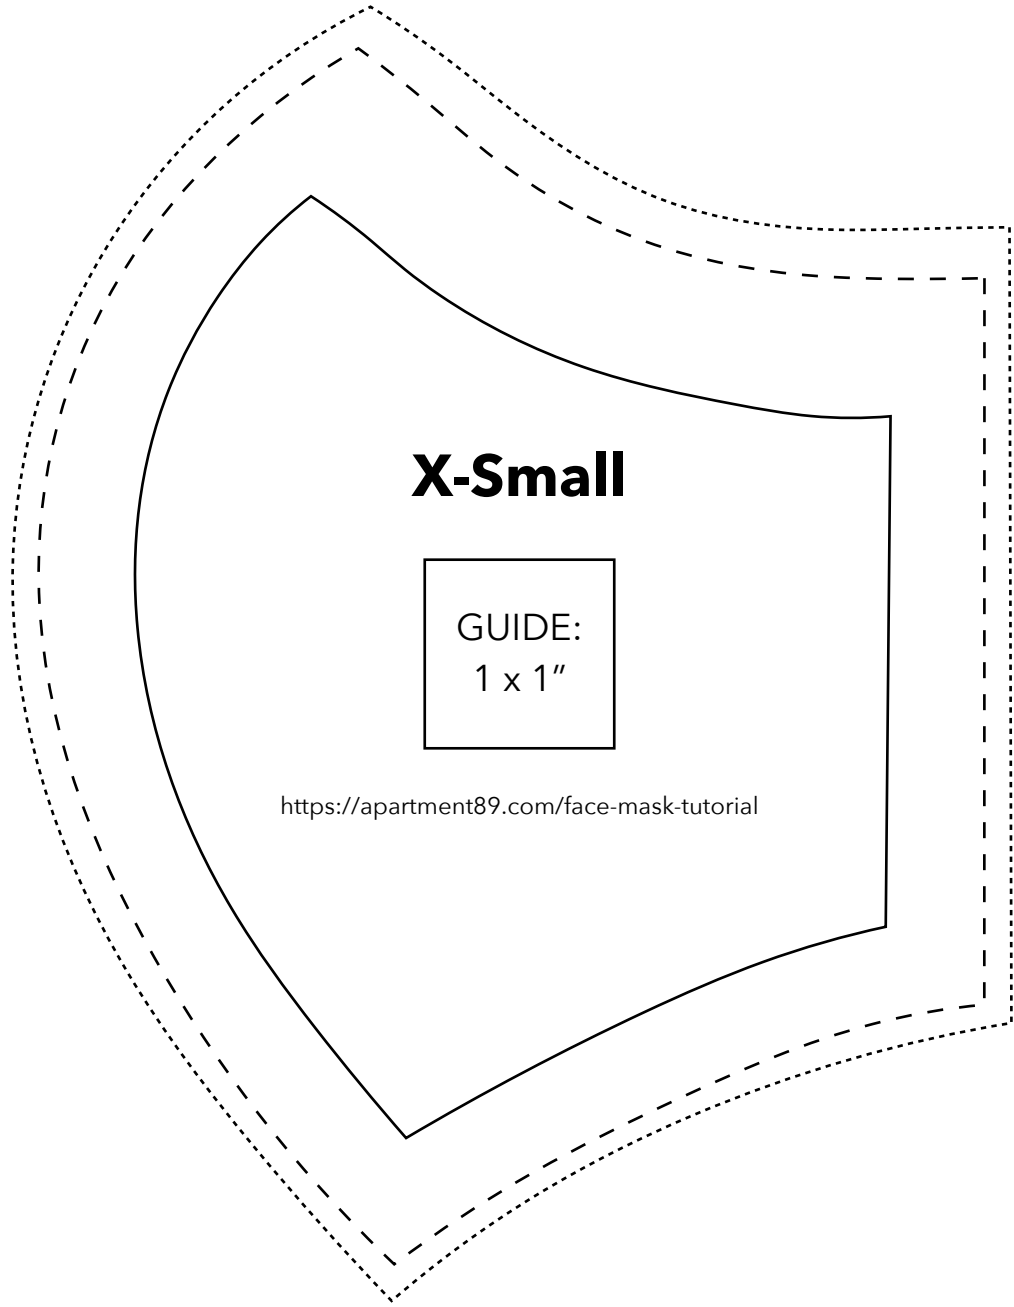

This line marks the outline of the final face mask.

This line marks the 4/8" seam allowance. The top part of the mask has 6/8" seam allowance. Expand allowance as necessary.

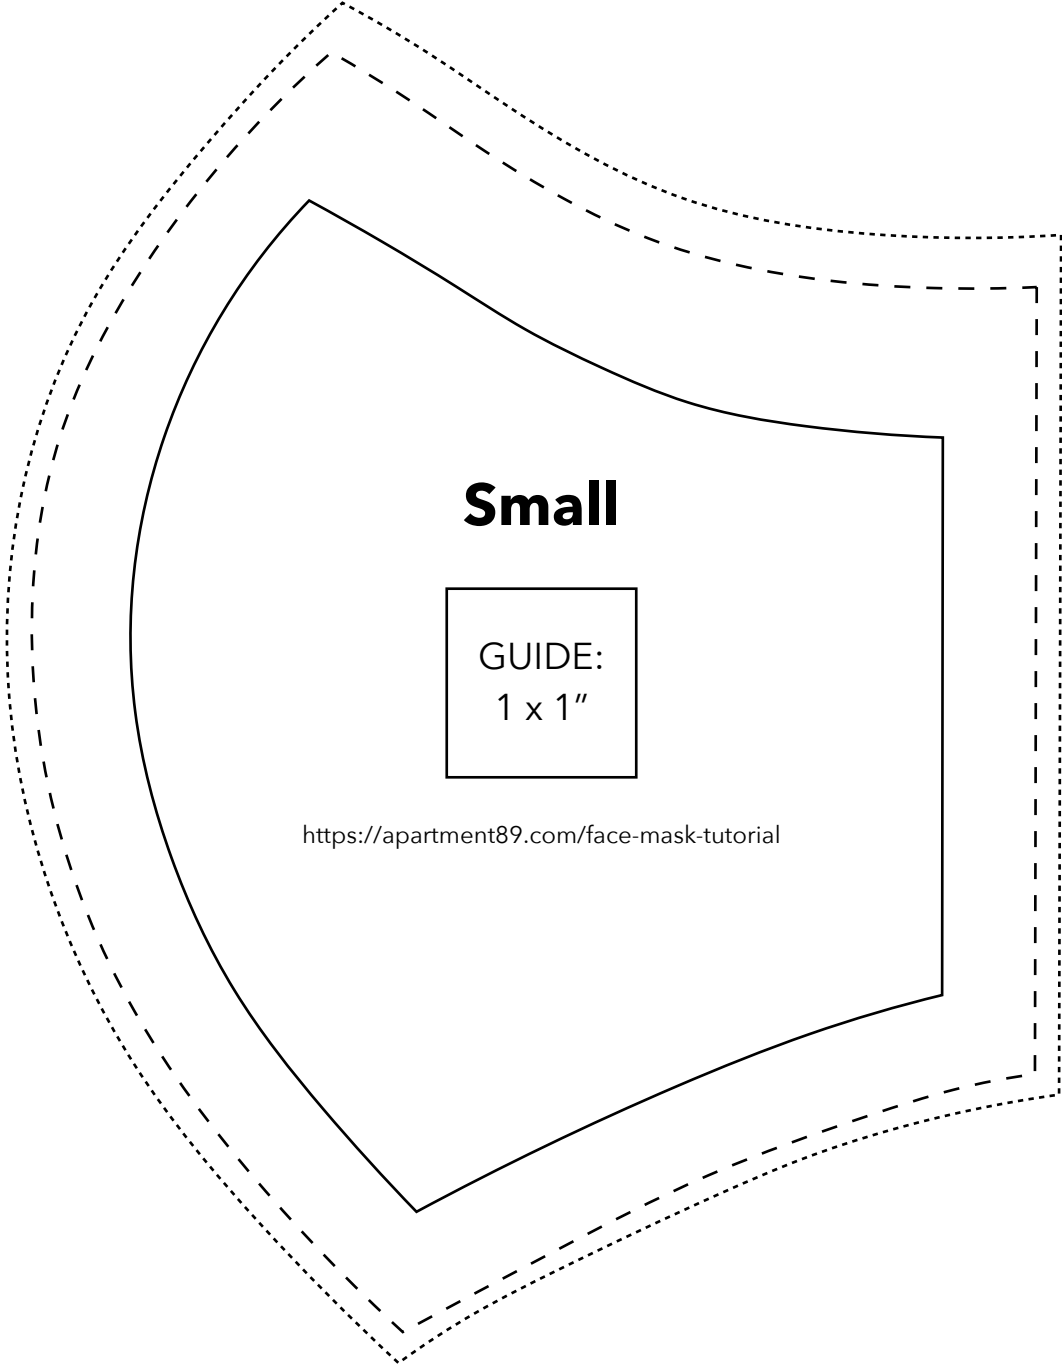

This line marks the 5/8" seam allowance. The top part of the mask has 1" seam allowance. Expand allowance as necessary.

NOTE: Due to paper size, the top and bottom corners of the 5/8" seam allowance may be slightly cut off when printed. However, I hope the existing lines provide enough guidance for you to draw in the corners.
